

Not just another day, it's ALPTAG!

Details for Tour A Classic 1 daytrip hiking

You will meet our guide and board our minibus in Zurich. After app. 80 minutes we will reach Seewis. A pretty Swiss village. After a short village tour we are hiking approx. 2 hrs (vertical climb of about 250m), passing farms, meadows and cows, with a view of the mountains and valleys in Graubunden.

Once we arrive at our cosy „Walser“ style house that dates back to the 19th century, there will be lunch with regional specialties. This is followed by a digestive walk to the impressive vantage point "Fadaerastein" with its prospects of the "Buendner Herrschaft", which is a well-known wine region. On the way back to our chalet we will visit a mountain farm.

Of course, alternatively you can always just enjoy a siesta in front of the chalet. Then there'll be a "zVieri" (Swiss snack and refreshment) before we take a relaxed mini bus trip back to Zurich.

What we expect to see:

On our way to Graubunden we will pass the lake of Zurich and the lake of Walenstatt. When hiking up to our lunch spot you will see a typical village, farms, mountains and alpine pastures with cattle. Usually you also will meet cows or other cattle. Lunch in the old style chalets gives you an insight on how people lived a hundred years ago.

Which fitness level is needed for this daytrip?

It's an easy trip with 2 hours hike (vertical climb of about 250m) in the morning and 1 hour hike after lunch. This tour is suitable for most people and if you can walk 2 hours without a problem you will be fine.
